	GENERAL MINIMUM CONTROL MEASURE (MCM) INFORMATION								
На	ve you completed all MCM activities required by the permit	for this reporting period?	⊠ Yes □ No						
Lis	t the current entity responsible for implementing each MCM	of your SWMP, along with co	ontact name and phor	ne number.					
	MCM	Contact Name	Phone						
#1	Public Education and Outreach on Storm Water Impacts	Borough Manager	John Palyo	412-672- 9727					
#2	Public Involvement/Participation	Borough Manager	John Palyo	412-672- 9727					
#3	Illicit Discharge Detection and Elimination (IDD&E)	Borough Manager	John Palyo	412-672- 9727					
#4	Construction Site Storm Water Runoff Control	Code Enforcement	John Snelson	412-672- 9727					
#5	Post-Construction Storm Water Management in New Development and Redevelopment	Public Works	Tim Crawford	412-672- 9727					
#6	Pollution Prevention / Good Housekeeping	Public Works	Tim Crawford	412-672- 9727					
	MCM #1 - PUBLIC EDUCATION AND C	OUTREACH ON STORM	WATER IMPACTS						
вм	IP #1: Develop, implement and maintain a written Publi	c Education and Outreach F	Program.						
1.	For new permittees only, has the written PEOP been deve	eloped and implemented withi	n the first year of perr	mit coverage?					
	☐ Yes ☐ No								
2.	Date of latest annual review of PEOP: September 2023	Were updates made?	P ☐ Yes ☒ No						
3.	What were the plans and goals for public education and o	utreach for the reporting perio	od?						
	Continue displaying stormwater educational messages materials and brochures at the Borough's office. The Borough will continue to organize a spring clean up day	e brochures are also poste							
4.	Did the MS4 achieve its goal(s) for the PEOP during the r	eporting period?	s 🗌 No						
5.	Identify specific plans and goals for public education and	outreach for the upcoming yea	ar:						
	Continue executing PEOP. Borough plans to increase its stormwater educational material on its website and in its office and explore reaching shareholders via the White Oak Rotary Club or Lions Club.								
BN	IP #2: Develop and maintain lists of target audience gro	oups present within the area	as served by your M	S4.					
1.	For new permittees only, have the target audience lists coverage?	been developed and implem	ented within the first	year of permit					
	☐ Yes ☐ No								
2.	Date of latest annual review of target audience lists: Sept	ember 2023 Were update	es made?	⊠ No					
вм	IP #3: Annually publish at least one educational item or	n your Stormwater Manager	ment Program.						
1.	For new permittees only, were stormwater educational an Internet within the first year of permit coverage?	d informational items produce	d and published in pri	nt and/or on the					

	00-FM-BCW0491 9/2017 nual MS4 Status Report		
	☐ Yes ☐ No		
2.	Date of latest annual review of educational materials: September 2023	Were updates made?	☐ Yes ⊠ No

3. Do you have a municipal website? \square Yes \square No (URL: woboro.com)

If Yes, what MS4-related material does it contain? The top of the home page has a Inked red box which reads "MS4 Public Education Information and Announcements". The link goes to a page which describes the MS4 Permit, Green Infrastructure, and Stormwater. Each section has a link to a 6-page PDF with additional related information. This section of the website also contains the Borough's annual MS4 report from three years ago and will be updated to include the two most recent reports also. 4. Describe any other method(s) used during the reporting period to provide information on stormwater to the public: Stormwater brochures and posters are displayed at the Borough's office and on the website. 5. Identify specific plans for the publication of stormwater materials for the upcoming year: Borough's plan is to add more specific information regarding Minimum Control Measures on the website and in the office. The Borough plans to continue to display MS4 messages on its television message board and brochures at the Borough office. BMP #4: Distribute stormwater educational materials to the target audiences. Identify the two additional methods of distributing stormwater educational materials during the previous reporting period (e.g., displays, posters, signs, pamphlets, booklets, brochures, radio, local cable TV, newspaper articles, other advertisements, bill stuffers, posters, presentations, conferences, meetings, fact sheets, giveaways, or storm drain stenciling). The Borough building has MS4 pamphlets for residents to take. The website has information as previously described. Public meetings often discuss MS4 material for the public to consume. MCM #1 Comments: MCM #2 - PUBLIC INVOLVEMENT/PARTICIPATION BMP #1: Develop, implement and maintain a written Public Involvement and Participation Program (PIPP) 1. For new permittees only, was the PIPP developed and implemented within one year of permit coverage? ☐ Yes ☐ No ☐ Yes ☒ No 2. Date of latest annual review of PIPP: September 2023 Were updates made? BMP #2: Advertise to the public and solicit public input on ordinances, SOPs, Pollutant Reduction Plans (PRPs) (if applicable) and TMDL Plans (if applicable), including modifications thereto, prior to adoption or submission to DEP: 1. Was an MS4-related ordinance, SOP, PRP or TMDL Plan developed during the reporting period?

Yes
No 2. If Yes, describe how you advertised the draft document(s) and how you provided opportunities for public review, input and feedback: 3. If an ordinance, SOP or plan was developed or amended during the reporting period, provide the following information: **Date of Public Date of Public** Date Enacted or Ordinance / SOP / Plan Name **Notice** Hearing Submitted to DEP

3800-FM-BCW0491	9/2017
Annual MS4 Status	Report

	P #3: Regularly solicit public involvement and participation from the target audience groups using available tribution and outreach methods.						
1.	At least one public meeting or other MS4 event must be held during the 5-year permit coverage period to solicit participation and feedback from target audience groups. Was this meeting or event held during the reporting period?						
	☐ Yes ☒ No If Yes, Date of Meeting or Event: PRP Meeting was conducted before this permit issuance						
2.	Report instances of cooperation and participation in MS4 activities; presentations the permittee made to local watershed and conservation organizations; and similar instances of participation or coordination with organizations in the community.						
	Borough organized a Spring Cleanup day on April 27, 2024 and two recycling events for household electronic devices on April 24 and 27, 2024. The Borough conducted annual leaf collection from residents and conducted street sweeping as needed when sediment collected on Borough roads. The collected leaves are taken to the Borough's compost facility. Compost is distributed annually at a Borough park for residents to take, free of charge.						
3.	Report activities in which members of the public assisted or participated in the meetings and in the implementation of the SWMP, including education activities or efforts such as cleanups, monitoring, storm drain stenciling, or others.						
	Public meetings often discuss MS4 material for the public to consume.						
МС	M #2 Comments:						
	MCM #3 – ILLICIT DISCHARGE DETECTION AND ELIMINATION (IDD&E)						
	BMP #1: Develop and implement a written program for the detection, elimination, and prevention of illicit discharges into the regulated small MS4.						
	o the regulated shiali Mo4.						
1.	For new permittees only, was the written IDD&E program developed within one year of permit coverage?						
1.

per juri and col	IP #3: In conjunction with the map(s) created under BMP #2 (either on the same map or on a different rmittee shall develop and maintain map(s) that show the entire storm sewer collection system within the isdiction that are owned or operated by the permittee (including roads, inlets, piping, swales, catch basin d any other components of the storm sewer collection system), including privately-owned components of the storm sewer collection system where conveyances or BMPs on private property receive stormwater flows from upstreamed components.	permittee's s, channels, ents of the
1.	Have you completed a map(s) that includes all components of BMP #3? ☐ Yes ☐ No	
	If Yes and you are a new permittee and have not submitted the map(s) previously, attach the map(s) to this rep	oort.
	If No, date by which permittee expects map(s) to be completed:	
2.	If Yes to #1, is the map(s) on the same map(s) as for outfalls and receiving waters? ⊠ Yes □ No	
3.	Date of last update or revision to map(s): March 2021	
dis illic or nec	IP #4: Conduct dry weather screenings of MS4 outfalls to evaluate the presence of illicit discharges. It is charges are present, the permittee shall identify the source(s) and take appropriate actions to remove or cit discharges. The permittee shall also respond to reports received from the public or other agencies of confirmed illicit discharges associated with the storm sewer system, as well as take enforcement cessary. The permittee shall immediately report to DEP illicit discharges that would endanger users of many the discharge, or would otherwise result in pollution or create a danger of pollution or would damage	correct any of suspected at action as downstream
twic obs are	r new permittees, all identified outfalls (and if applicable observation points) must be screened during dry weat ce within the 5-year period following permit coverage. For existing permittees, all identified outfalls (and servation points) must be screen during dry weather at least once within the 5-year period following permit coveras where past problems have been reported or known sources of dry weather flows occur on a continual basis, screened annually during each year of permit coverage.	if applicable rage and, for
1.	How many unique outfalls (and if applicable observation points) were screened during the reporting period?	0
2.	Indicate the percentage of all outfalls screened in the past five years.	43%
3.	Indicate the percent of outfalls screened during the reporting period that revealed dry weather flows:	0%
4.	Did any dry weather flows reveal color, turbidity, sheen, odor, floating or submerged solids? \square Yes \boxtimes No	
5.	If Yes for #4, attach all sample results to this report with a map identifying the sample location. Explain the correctaken in the attachment.	tive action(s)
6.	Do you use the MS4 Outfall Field Screening Report form (3800-FM-BCW0521) provided in the permit?	
	⊠ Yes □ No	
	If No, attach a copy of your screening report form.	
	IP #5: Enact a Stormwater Management Ordinance or SOP to implement and enforce a stormwater nogram that includes prohibition of non-stormwater discharges to the regulated small MS4.	nanagement
1.	Do you have an ordinance (municipal) or SOP or other mechanism (non-municipal) that prohibits no discharges? \boxtimes Yes \square No	n-stormwater
	If Yes, indicate the date of the ordinance or SOP: November 19, 2018	
2.	If Yes to #1, is the ordinance or SOP consistent with DEP's 2022 Model Stormwater Management Ordinance BCW0100j) with respect to authorized non-stormwater discharges? Yes No	e (3800-PM-
	If Yes to #2 and the ordinance or SOP has not been submitted to DEP previously, attach the ordinance or SOF	P.

3.	3. Were there any violations of the ordinance or SOP during the reporting period? Yes No							
	If Yes to #3, c	complete the table below (attach additional she	eets as necessary).					
Vi	olation Date	Nature of Violation	Responsible Party	Enforcement Taken				
4.		ove any waiver or variance during the reporting an ordinance or SOP? Yes No	g period that allowed ar	n exception to non-stormwater discharge				
	If Yes to #4, id	dentify the entity that received the waiver or va	ariance and the type of	non-stormwater discharge approved.				
		e educational outreach to public employeend elected officials (i.e., target audiences) a						
1.	Was IDD&E-r period? ⊠ Y	related information distributed to public emplo es No	oyees, businesses, and	the general public during the reporting				
	If Yes, what w	vas distributed? Public outreach during com	munity meetings and h	anded out pamphlets.				
2.	Is there a well	I-publicized method for employees, businesse	s and the public to repo	rt stormwater pollution incidents?				
	⊠ Yes □			•				
3.	Do you mainta	ain documentation of all responses, action tak	en, and the time require	ed to take action? ⊠ Yes □ No				
МС	M #3 Commer	nts:						
sev	BMP #6 - no responses were received. In November 2024 the Borough applied for a LSA Grant from the state for a storm sewer system cleaning and televising project. The Borough has a goal to complete all remaining outfall inspections (and any required sampling) in 2025.							
		MCM #4 – CONSTRUCTION SITE S	TORMWATER RUN	IOFF CONTROL				
Are	you relying on	PA's statewide program for stormwater asso	ciated with construction	activities to satisfy this MCM?				
\boxtimes	Yes 🗌 No							
(If	Yes, respond to	questions for BMP Nos. 1, 2 and 3 only in this	s section. If No, respond	to questions for all BMPs in this section)

3800-FM-BCW0491 9/2017 Annual MS4 Status Report			

MCM #5 - POST-CONSTRUCTION STORM WATER MANAGEMENT IN NEW DEVELOPMENT AND REDEVELOPMENT BMP #1: Enact, implement and enforce an ordinance or SOP to require post-construction stormwater management from new development and redevelopment projects, including sanctions for non-compliance. Do you have an ordinance (municipal) or SOP or other mechanism (non-municipal) that requires implementation and maintenance of post-construction stormwater management (PCSM) BMPs? X Yes X No. If Yes, indicate the date of the ordinance or SOP: November 19, 2018 2. If Yes to #1, is the ordinance or SOP consistent with DEP's 2022 Model Stormwater Management Ordinance (3800-PM-BCW0100j)? ⊠ Yes □ No 3. If Yes to #2 and the ordinance or SOP has not been submitted previously, attach a copy of the ordinance or SOP. BMP #2: Develop and implement measures to encourage and expand the use of Low Impact Development (LID) in new development and redevelopment. Measures should also be included to encourage retrofitting LID into existing development. Enact ordinances consistent with LID practices and repeal sections of ordinances that conflict with LID practices. Do you have an ordinance (municipal) or SOP or other mechanism (non-municipal) that encourages and expands the use of LID in new development and redevelopment? X Yes No If Yes, indicate the date of the ordinance or SOP: November 19, 2018 2. If Yes to #1, is the ordinance or SOP consistent with DEP's 2022 Model Stormwater Management Ordinance (3800-PM-BCW0100j)? ☐ Yes ☐ No If Yes to #2 and the ordinance or SOP has not been submitted previously, attach a copy of the ordinance or SOP. BMP #3: Ensure adequate O&M of all post-construction stormwater management BMPs that have been installed at development or redevelopment projects that disturb greater than or equal to one acre, including projects less than one acre that are part of a larger common plan of development or sale. 1. Do you have an inventory of all PCSM BMPs that were installed to meet requirements in NPDES Permits for Stormwater Discharges Associated with Construction Activities approved since March 10, 2003? Yes No If Yes to #1, complete Table 1 on the next page. 2. Has proper O&M occurred during the reporting period for all PCSM BMPs? ☐ Yes ☐ No. 3. If No to #2, explain what action(s) the permittee has taken or plans to take to ensure proper O&M. If you are relying on PA's statewide program for stormwater associated with construction activities, you may skip to MCM #6, otherwise complete all questions for BMPs #4 - #6 in this section. BMP #4: Require the implementation of a combination of structural and/or non-structural BMPs that are appropriate to the local community, that minimize water quality impacts, and that are designed to maintain pre-development runoff conditions. 1. Specify the number of PCSM Plans reviewed during the reporting period for projects disturbing greater than or equal to one acre (including projects less than one acre that are part of a larger common plan of development or sale): 0 2. Has a tracking system been established and maintained to record qualifying projects and their associated BMPs?

PCSM BMP INVENTORY

Table 1. To complete the information needed for MCM #5, BMP #3, list all <u>existing structural BMPs</u> that discharge stormwater to the permittee's MS4 that were installed to satisfy PCSM requirements for earth disturbance activities under Chapter 102, and provide the requested information (see instructions).

ins ins be	MP #5: Ensure that controls are installed that shall prevent or minimize water quality impacts. The permittee shall spect all qualifying development or redevelopment projects during the construction phase to ensure proper stallation of the approved structural PCSM BMPs. A tracking system (e.g., database, spreadsheet, or written list) shall implemented to track the inspections conducted and to track the results of the inspections (e.g., BMPs were, or were t, installed properly).								
1.	During the reporting period have you inspected all qualifying development and redevelopment projects during the construction phase to ensure proper installation of approved structural BMPs?								
	☐ Yes ☐ No ☒ Not Applicable (no qualifying projects during reporting period)								
2.	Has a tracking system been established and maintained to record results of inspections?								
	MP #6: Develop a written procedure that describes how the permittee shall address all required components of this CM.								
pla	ove you developed a written plan that addresses: 1) minimum requirements for use of structural and/or non-structural BMPs in ans for development and redevelopment; 2) criteria for selecting and standards for sizing stormwater BMPs; and 3) plementation of an inspection program to ensure that BMPs are properly installed? Yes No								
MC	CM #5 Comments:								
Th	is is addressed via the Borough's Stormwater Management Ordinance, enacted November 19, 2018.								
	MCM #6 - POLLUTION PREVENTION / GOOD HOUSEKEEPING								
ge	IP #1: Identify and document all operations that are owned or operated by the permittee and have the potential for nerating pollution in stormwater runoff to the MS4. This includes activities conducted by contractors for the rmittee.

5.	Summary of progress achieved during reporting period.											
	Inspection completed with PADEP's James Stewart in September 2024.											
6.	Anticipated activities for next reporting pe	eriod.										
	White Oak Borough has engaged its Engineer to begin permit applications and design needed for streambank stabilization projects proposed in its approved PRP. Engineer has begun working on this and is corresponding with PADEP to clarify acceptable streambank stabilization methods to achieve required sediment load reductions. Project funding options have been discussed.											
PR	P/TMDL Plan Comments:											

NEW BMPs FOR PRP/TMDL PLAN IMPLEMENTATION

Table 2. List all <u>new structural BMPs</u> installed and <u>ongoing non-structural BMPs</u> implemented <u>during the reporting period</u> that are being used toward achieving load reductions in the permittee's PRP and/or TMDL Plan (see instructions).

CERTIFICATION

For PAG-13 Permittees: I have read the latest PAG-13 General Permit issued by DEP and agree and certify that (1) the permittee continues to be eligible for coverage under the PAG-13 General Permit and (2) the permittee will continue to comply with the conditions of that permit, including any modifications thereto. I understand that if I do not agree to the terms and conditions of the PAG-13 General Permit, I will apply for an individual permit within 90 days of publication of the General Permit. I also acknowledge that any facility construction needed to comply with the General Permit requirements shall be designed, built, operated, and maintained in accordance with operative laws and regulations.

For All Permittees: I certify under penalty of law that this report was prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations. See 18 Pa. C.S. § 4904 (relating to unsworn falsification).
