

**MINUTES OF THE REGULAR MEETING
OF WHITE OAK BOROUGH COUNCIL
HELD MONDAY, APRIL 16, 2007 AT 8:00 P.M.**

CALL TO ORDER

Mr. Petro, President of Council, called the Regular Meeting to order at 8:00 p.m.

PLEDGE OF ALLEGIANCE

Mr. Petro led the Pledge of Allegiance.

Mr. Petro asked everyone to join in a moment of silence for the Virginia Tech victims and their families.

ROLL CALL

Attending were Council members Edward Babyak, Charles Davis, George Dillinger, Ronald Massung, David Pasternak, John W. Petro, Jr. and Kenneth Robb. Also attending were Mayor Ina Jean Marton, Solicitor Terry Leckman, Engineer Ben Faas, and Borough Secretary Nancy Greenland.

PUBLIC HEARING – PROPOSED CHANGES TO ZONING REGULATIONS

Mr. Petro noted the Borough would be holding a public hearing to receive input regarding various proposed changes to zoning regulations. The proposed changes are as follows:

- O-3465** Setting Regulations and Size Restrictions for Electronic Reader Board Signs.
- O-3468** Setting Minimum Driveway Width (10 feet) Within Commercial, Industrial and Transitional Zoned Areas.
- O-3475** Setting Time Limit For Completion of Residential Project (12 months) and Commercial Project (18 months)

Mr. Petro asked if there were any comments from those in attendance.

Wayne Washowich – White Oak Borough Zoning, Planning and Code Officer.

Mr. Washowich stated he felt these were changes that were well needed.

Mr. Washowich indicated that O-3465 – Reader Board Signs set regulations for this type of sign which currently is not identified in our regulations. He stated he has received several requests regarding this type of signage.

Mr. Washowich advised that currently the Borough does not have a minimum width for the driveway ingress/egress in commercial, industrial and transitional zoned areas. The only width requirement that has been set is for aisles within a parking lot.

Mr. Washowich stated there is no time restriction on completion of commercial or residential construction projects. We have had several projects that have dragged on for 3 to 5 years before being completed.

Mr. Washowich again expressed his desire that Council adopt these new zoning regulations.

There were no other comments.

MINUTES

Mr. Petro asked if there were any additions or corrections to the following Minutes:

PUBLIC COMMENTS

Thomas Brindock – 1631 Kansas Avenue

Mr. Brindock expressed concern that there was conflicting information with the various Borough regulations/actions regarding cats. He noted he has seen cats running at large and felt that our current regulations prohibit any animal from running at large.

Mrs. Marton noted the Commonwealth of Pennsylvania does not require cats to be licensed, leashed/under control of the owner. The state regulations only require dogs to be licensed, leashed/under control of owner. She further advised Mr. Brindock that after he presented the Monroeville regulations regarding cats she did speak with the animal control officer for that area and he stated they do not go out looking for cats; if they receive a complaint, the complaint is followed up on. She noted this is exactly what the animal control officer for White Oak does.

Mr. Brindock again asked why cats were permitted to roam free.

Mrs. Marton again stated there is nothing in the regulations that require cats to be leashed. She noted cats are not required to be licensed, but are required to receive rabies inoculations. She advised Mr. Brindock has filed complaints against a cat that ventures onto his property. She noted there are two cats similar in size and color in that neighborhood. The immediate next

door neighbor has been contacted and asked to keep the cat inside and understood that was being done.

Mr. Petro noted he had a list of calls placed to animal control from Mr. Brindock regarding complaints about cats roaming. He noted cats are not considered a domesticated animal, they fall within the same category as raccoons and coyotes and we can't do anything about them.

Mr. Petro stated the Borough is at the point it can not do anymore for Mr. Brindock that has already been done.

Mr. Leckman noted Council did look at the regulations from Monroeville and it was their decision not to amend the Borough's regulations.

Mr. Brindock asked if his property was damaged by a cat was the Borough saying it wasn't going to do anything.

Mrs. Marton noted several months ago Mr. Brindock was asked to provide a picture of the cat on his property. She noted he has not done that as yet.

Mr. Petro advised there was nothing more Council could do regarding this matter, but if a cat did damage his property, he should call animal control.

Mr. Brindock noted he was advised by animal control that he would be able to trap the cat.

Mr. Petro stated he would need to address that issue with his (Brindock's) attorney.

Mr. Robb advised Mr. Brindock that if he needed any clarification on the regulations to see his attorney.
